

Portraits of People Buried at Monocacy Cemetery

Preserving photographs and being able to see faces with names online ensures that they will be available for generations to come.

Photographs are a very important part of our digital database. If you would like to download and use these photos, please be sure to check the photo credit description under each image for the name and email address of the person who contributed it. Permission MUST be granted to distribute these images.

If you have portraits of anyone buried at Monocacy Cemetery, please contact monocacycemetery@gmail.com for assistance in scanning, restoring, and uploading them to their FindaGrave memorial page.
